

Data Protection Policy 2022

Golden Marriage Introductions

Lower Sheriff Street
Rochdale, OL12 6TG
01706 352759

1. Introduction

The Data Protection Act 1998 came into force on 1st March 2000. It sets out what can and what cannot be done with personal data that is information about living individuals. Golden Mosque Islamic Cultural Centre is a registered charity (no: 1084209) and complies with the provisions of this Act.

2. Commitment to the Protection of Personal Information

Golden Mosque Islamic Cultural Centre needs to collect and use certain types of information about students and staff members with whom we deal with in order to operate effectively. These include pupils, parents, guardians, staff, and others with whom it communicates.

This personal information must be dealt with properly and securely regardless of what method is used for its collection, recording or use - whether this is paper, a computer system or any other material. All information is securely kept on a password protected computers, paper work in safe locked office. There are safeguards to ensure that the processing of such information is carried out in a proper fashion and these are contained in the Act.

This policy does not seek to convey the whole legislation to its readers, rather to acquaint them with the main provisions and to demonstrate that Golden Mosque Islamic Cultural Centre has a commitment to those provisions.

Golden Mosque Islamic Cultural Centre regards the lawful and correct treatment of personal information as very important to the successful and efficient performance of its functions and to maintaining confidence between those with whom we deal and ourselves. We ensure that our Academy treats personal information lawfully and fairly.

3. Our Data Protection Standards

Golden Mosque Islamic Cultural Centre, through appropriate management and adherence to agreed procedures:

- Observe fully the conditions relating to the fair collection and lawful use of personal information;
- Meet its legal obligations to specify the purposes for which the information is used;
- Collect and process appropriate information but only that which is necessary to its operational needs or meet its legal requirements;
- Ensure the quality of information used; We will ask people to help us to achieve this by keeping us informed of any changes to the information we hold about them;
- Apply strict checks to determine the length of time information is held and to ensure that it will be disposed of when no longer required with due regard for its sensitivity;
- Ensure that the rights of people about whom information is held can be exercised.
- These include the right to be informed that processing is being undertaken, the right to access one's personal information, the right to prevent processing in certain circumstances and the right to correct, rectify, block or erase information which is regarded as wrong;
- Take appropriate technical and organisational measures to safeguard personal information.

4. Management Arrangements

- Holds specific responsibility for data protection within the centre;

- Everyone managing and handling personal information understands that they are responsible for following good data protection practice;
- Everyone managing and handling personal information is appropriately trained and authorised to do so;
- Everyone managing and handling personal information is appropriately supervised
- Anyone wanting to make enquiries about handling personal information knows what to do;
- Queries about handling personal information are dealt with promptly and courteously;
- Methods of handling personal information are regularly assessed and evaluated;
- Records of personal information will not be kept for longer than is necessary.
